About Me

With hands-on experience in residential and commercial real estate projects and VC investments, where I developed grounded execution on project management, diligence preparations/documents, and project life cycle engagement. Known for a data-driven mindset, can-do attitude, and commitment to pursue; "**Responsible**", "**Communicative**", and "**Get-things-done**" would define me.

Education

Bachelor's Degree, Economics and Finance – RMIT University Vietnam **Oct 2021 – Jan 2025**

English Proficiency

- IELTS 7.0; Professional Proficiency

Chinese Proficiency

- Elementary Level

Professional Experience

Executive Assistant & Partnership Support | YDA Concept – Full-time **Mar 2026 – Present**

- Provide executive and personal assistance, managing daily operations, project coordination, and communication
- Contribute to business development and sales by identifying prospects, conducting outreach, preparing commercial proposals, and managing follow-ups throughout the sales pipeline

Investment Analyst | TNB Aura – Internship **Jun 2024 – Jan 2025**

- Conducted market research and sector analysis aligned with fund thesis, covering business/revenue models, financial snapshot, funding and client success dashboard
- Sourced and pitched to Senior 10 potential deals with key investment merits/risks, fund return simulations
- Tracked operational and financial performance of 8 portfolio companies across fintech, logistics, health tech, agritech, and F&B, consolidating fund quarterly updates
- Developed valuation models and diligence-relevant reports supporting a US$24M Series A equity raise for an agritech company at a US$60M pre-money valuation
- Prepared exit analysis for POS and P2P lending portfolio companies, using Exit Comparable framework

Personal Assistant to Partner and Director of M&A | IQI Vietnam – Full-time **Apr 2022 – Jun 2024**

- Conducted 16 property proposals and investment introductions to potential investors and land acquirors (market research, legal status/compliance pipeline, simulated financial return, sales & marketing plan)
- Handled daily admin requests with both internal and external stakeholders (banks, legal advisors, etc.)
- Collaborated with assigned sales representatives to provide deal preparations (sales deck, admin documents)
- Collaborated with key business functions to ensure the project progress (timeline, PIC, status)

Residential and Leasing Real Estate Consultant | IQI Vietnam – Full-time **Mar 2022 – Mar 2023**

- Generated new leads through cold outreach, and on-site sales support at the project sales gallery
- Provided end-to-end real estate consulting services, including market research, tailored payment plan recommendations, transaction execution, and post-purchase support such as resale and leasing
- Closed 3 deals with transaction value totaling 7,7 billion VND
